Santiago Canyon College — Art — 2012-2014
Mt. San Jacinto College — Business — 2012

Experience

All Previous Positions — 2005-2014

- Customer Service — This experience has helped develop a perspective through which I'm able to view situations and products as the consumer would.
- Problem Solving — This experience has helped reveal a passion for solving puzzles and finding creative solutions, I enjoy a good challenge!
- Cleaning — This experience has revealed to me that I enjoy keeping things neat and tidy, this includes my code! I do my best to follow best practices and keep my code organized.
- Safety — My experience with safety procedures has made me keenly aware of the need for accessibility in many aspects of life, including websites!

Cashier, Target; Orange, CA — 2012-2014

- Point of Sale - This experience made me familiar with some of the options necessary to the PoS interface for commerce.

Cake Decorator, Walmart; Moreno Valley, CA — 2007-2011

- Cake Decoration - This helped me discover how much I enjoy design and creative problem solving!
- Inventory - This taught me the importance of staying organized and knowing what tools are available to you.

Attraction Operations, Universal Studios; Orlando, FL — 2006–2008

- In-Theme Presentation - This experience helped me overcome my shyness, and taught me that being bold can open up a whole new world of possibilities!

Customer Service Rep, Rhino Video Games; Zephyrhills, FL — 2005-2006
